Re: Andrews for Congress Committee, C00343428

Dear Ms. Bacon

This letter serves as a response to the Request for Information dated 4/30/03 regarding the Amended 12 Day Pre-General Report (10/1/02-10/16/02), dated 1/30/03.

The request states that Schedule A discloses a receipt from Price Milam Insurance Agency dated 10/4/2002 in the amount of \$2,000 for the General Election cycle. In fact, the Committee's report discloses this receipt as a Partnership check in that amount and is listed as a memo item. This check is attributable to Mr. Phil Price and Mr. Mike Milam who are partners in the agency. The check states that \$1,000 is attributed to each partner.

Please advise if you require a separate allocation letter so that I may forward same to you.
